Mini Grants for Pre-licensure Preparation

The Education and Research Foundation of CAMLT supports the educational needs of laboratorians including preparing for entry into the clinical laboratory science professions through less traditional routes. Small grants are available to persons in need of supplemental preparation prior to testing for clinical laboratory professional licensure. These monies are intended to cover expenses associated with examination review seminars.

Criteria:

- ❖ Applicant may not be currently a trainee in a clinical laboratory science or a medical laboratory technician training program.
- ❖ Applicant must be registered for an examination review seminar in California in preparation for testing for California state licensure in a clinical laboratory profession.
- ❖ Applicant must be eligible to sit for examination. Information on California licensure eligibility requirements can be found at camlt.org.
- ❖ Should the applicant attend a CAMLT sponsored examination review seminar, the fees may be waived in lieu of a cash award.
- ❖ Applicant may apply for funding one time only.

Application process:

- ❖ An application form is provided. The form must be accompanied by a letter describing financial need. Letters need be only one or two pages in length.
- ❖ Requested supporting documentation must be included or application will not be considered.
- ❖ Awards are reviewed and granted individually by the E&R board of trustees.
- ❖ Awards are based on need and will not exceed \$500.00.
