2024 CAMLT Annual Meeting

Dear Laboratory Partner,

You are cordially invited to feature your company and your products at the Exhibit Hall of the 85th Annual Convention of the California Association for Medical Laboratory Technology. This year, we are proud to co-sponsor the event with California State University, Dominguez Hills (CSUDH). Beginning Friday, September 27 and continuing through Saturday, September 28, 2024, CAMLT and CSUDH will present an outstanding educational and networking event at the CSUDH campus as well as other locations located around Carson, California. **The Exhibits will be open only on Friday 10:00am-5:30pm.**

To generate maximum traffic for your exhibit dollars, CAMLT has developed events to draw attention to the exhibit area:

- Exhibits open on Friday morning
- Vendors and exhibitors located in a general public space located on the CSUDH campus for greater visibility and traffic
- Coffee breaks available in close proximity to vendor and exhibit spaces

The 85th CAMLT Anniversary is expected to attract more than 400 laboratory directors and managers, department supervisors, clinical laboratory scientists, medical laboratory technicians and phlebotomists.

Attendees will also include educators and students in those professions. CAMLT recognizes the immense value that suppliers of clinical laboratory products and services provide to laboratory professionals, and the important market these laboratory professionals represent. Participation in the CAMLT convention and exhibits provides your organization with outstanding visibility at an exceptional rate. There is also the opportunity to participate as a convention or event sponsor, taking your organization to the next level of professional support and recognition.

This prospectus provides you with the basic information for exhibiting at the CSUDH convention. Show confirmation will be provided to you upon receipt of your contract and payment. We encourage you to register early for the best table assignments. If you have any questions about CAMLT, the convention or sponsorships/exhibits, please contact Marc Bernaldez directly at 818-687-6653, or go to our website at www.camlt.org. We look forward to seeing you in September 2024! All sponsors and exhibitors will be recognized on our website for an entire year and at the beginning of each educational session.

Sincerely,
2024 Convention Committee
